

Registrations are now open for the 2018 International Student Conference on Environment and Sustainability, to be held at Tongji University, Shanghai, PR China, from 2-7 June, 2018. Co-hosted by the United Nations Environment Programme, Tongji University, Xinhua News Agency and Beijing Environment Foundation for Young Talents, the theme for this year's conference is 'Less plastic pollution, better city life.' Interested full time university students (including undergraduate, post-graduate, and PhD students) under the age of 35 years old can register online. The deadline is 25 April, 2018. Full details are available on the conference website [here](#).
