

2nd Annual World Environment Day Lunch

The Environment and the Circular Economy

Celebrate & Experience a Sustainable Lunch

Wednesday 17 May 2023, 12:00 – 14:00

Sofitel on Collins, 25 Collins Street Melbourne

Our Speaker Panel so far.....

Adam D'Sylva

Co-owner and head chef founder of Coda and Tonka; Culinary Director Lollo @ W Melbourne, and Director Boca Gelato. Designer of the event's low carbon footprint luncheon menu from sustainable sources.

Professor Usha Iyer-Raniga

Usha is a widely acclaimed expert on Sustainability, and the Circular Economy, Professor at the School of Property, Construction & Project Management at RMIT University and co-leader of the Sustainable Buildings & Construction Programme for the UN's One Planet Network.

Sally Capp

Lord Mayor of the City of Melbourne. A champion of multiple sustainability initiatives to ensure Melbourne remains one of Australia's most sustainable cities.

Bob Glindemann, OAM

Volunteer leader at Donations in Kind which recycles equipment and supplies to send to 33 countries around the world. Past President of Rotary Melbourne.

Jill Riseley (Moderator)

Deloitte Partner in Sustainability, Climate & the Circular Economy. With a Masters degree in Sustainability Leadership at the University of Cambridge and 20+ years experience with some of Australia's largest brands, Jill's work is widely recognised.

Rueben Berg

A proud Gunditjmara man from Melbourne, and a Member of the First Peoples' Assembly of Victoria, who uses his skills, enthusiasm and passion in sharing his Aboriginal culture and heritage.

Join us for a celebration of Victorian environmental sustainability initiatives and learn more from an assembled expert panel about how your own organisation can benefit and get involved.

Organised by Melbourne Rotarians committed to supporting the Environment
