Sustainability Forum on World Environment Day 2025

5 June 2025

14:30–16:00 (JST)

VENUE
Online

With the theme “EcoSmart Universities: Pioneering Sustainability for Future Generations”, this forum by the ProSPER.Net Circular Economy Expert Advisory Panel highlights the vital role of higher education institutions in advancing sustainability and how they can serve as key drivers of change by embedding sustainability into their operations, curricula and research. Serving as a platform for sharing insights, best practices and policy approaches, the forum will explore practical strategies for greening campuses, implementing circular economy approaches and promoting environmental consciousness across academic communities – towards more resilient and environmentally responsible institutions.
